

THE ADVENTURES OF THUNDERBOLT

IN THE LIVELY CITY OF SPARKVILLE

THERE LIVED A CURIOUS AND INVENTIVE 10-YEAR-OLD BOY NAMED LEO. LEO LOVED TINKERING WITH GADGETS AND DREAMED OF BECOMING A HERO

ONE FATEFUL AFTERNOON

DURING A TRIP TO THE CITY'S NEW ENERGY RESEARCH CENTER, LEO'S LIFE TOOK AN UNEXPECTED TURN.

WHILE EXPLORING THE
RESEARCH CENTER, LEO
CAME UPON A SECRET LAB

....WHERE SCIENTISTS WERE
EXPERIMENTING WITH A
POWERFUL NEW ENERGY SOURCE
CALLED "ELECTRIUM."

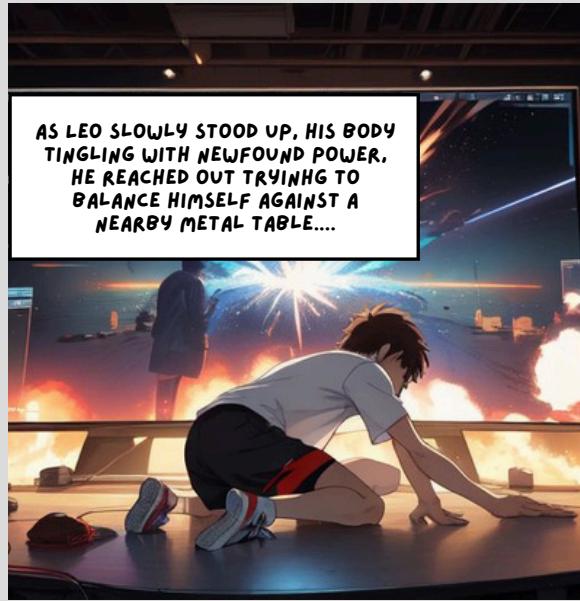

FASCINATED, LEO

....WATCHED AS A SMALL EXPLOSION
SENT A BOLT OF ELECTRIUM
ENERGY STRAIGHT TOWARDS HIM

OHH NO!!!

AS LEO SLOWLY STOOD UP, HIS BODY TINGLING WITH NEWFOUND POWER. HE REACHED OUT TRYING TO BALANCE HIMSELF AGAINST A NEARBY METAL TABLE....

THE MOMENT HIS FINGERS MADE CONTACT, A SMALL BURST OF ELECTRICITY SHOT FROM HIS HAND, SENDING A JOLT THROUGH THE TABLE AND CAUSING A FEW LOOSE PAPERS TO FLUTTER TO THE GROUND.

LEO'S MIND RACED AS HE TRIED TO UNDERSTAND WHAT HAD JUST HAPPENED. CAREFULLY, HE REACHED OUT HIS HAND AGAIN, CONCENTRATING ON THE STRANGE ENERGY INSIDE HIM. ANOTHER SPARK OF ELECTRICITY JUMPED FROM HIS FINGERS, THIS ONE BRIGHTER AND MORE CONTROLLED

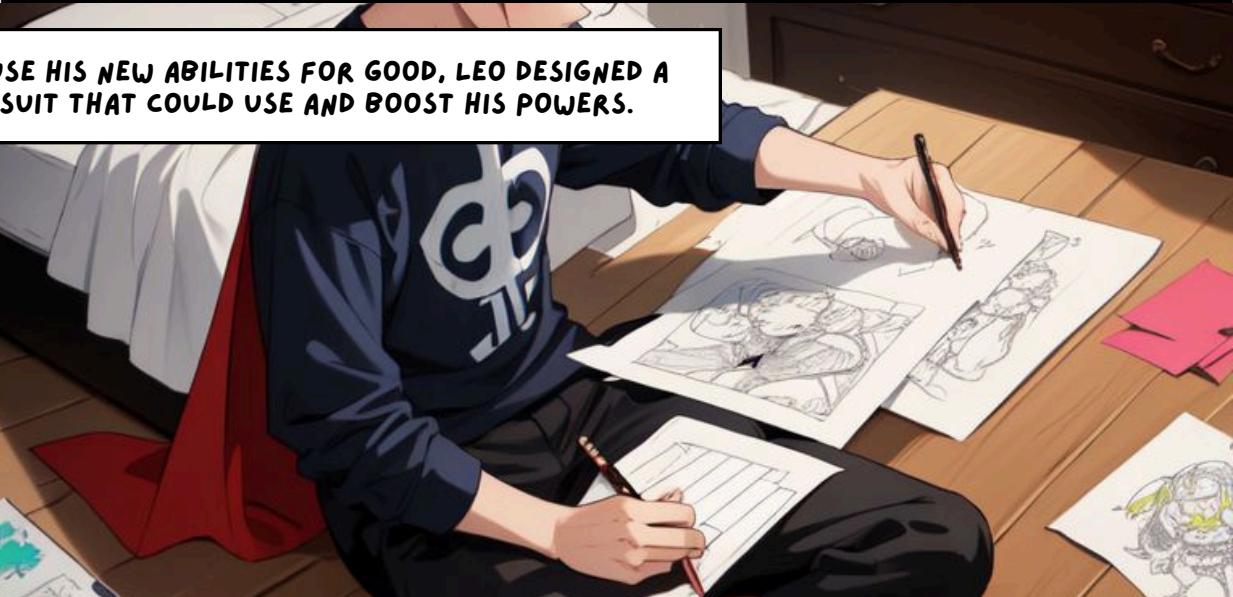

LEO REALIZED, WITH A MIX OF EXCITEMENT AND BEING NERVOUS, THAT HE HAD GAINED AMAZING POWERS.

HE COULD CREATE AND CONTROL ELECTRICITY, MOVE SUPER FAST, AND HAD SUPER STRENGTH

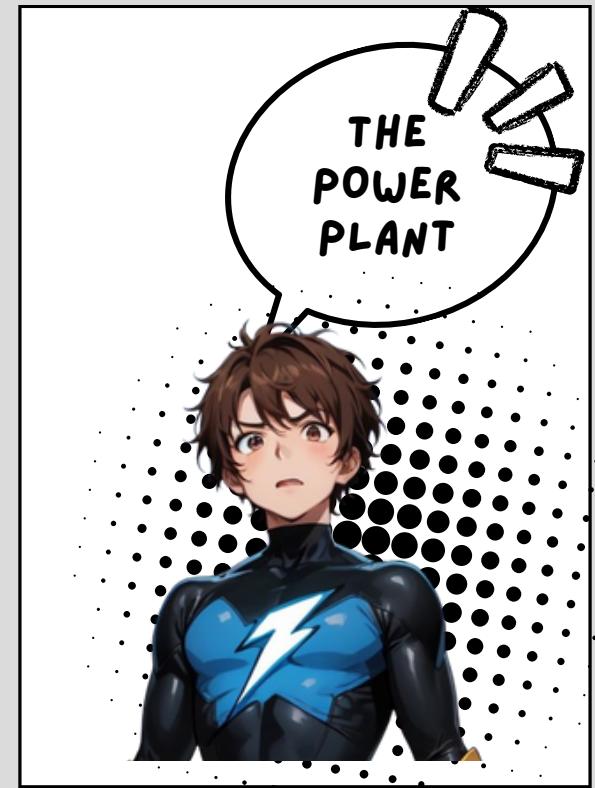

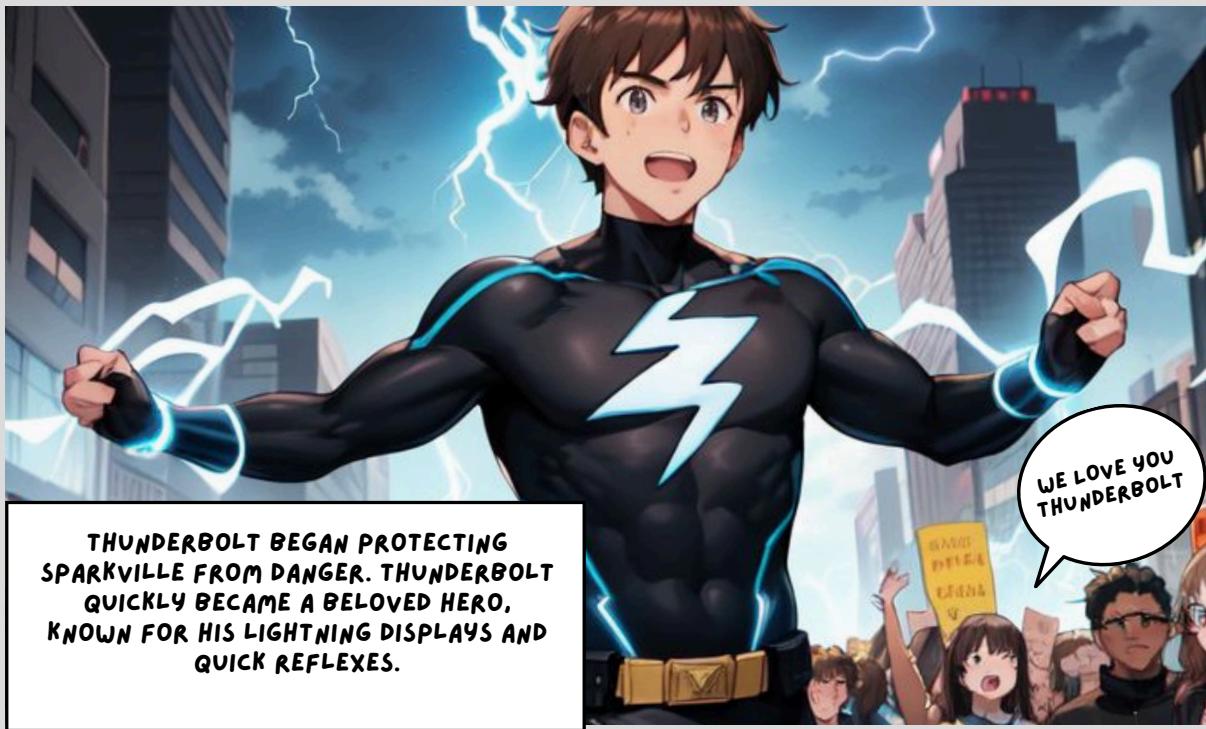

EAGER TO USE HIS NEW ABILITIES FOR GOOD, LEO DESIGNED A SPECIAL SUIT THAT COULD USE AND BOOST HIS POWERS.

HE THEN CAME UP WITH THE SUPERHERO NAME
"THUNDERBOLT" AND BEGAN PROTECTING SPARKVILLE
FROM DANGER.

VOLT VIPER HAD AN EVIL PLAN TO STEAL THE CITY'S ENERGY AND SELL IT ON THE BLACK MARKET, LEAVING SPARKVILLE IN DARKNESS

USING HIS MECHANICAL SUIT THAT COULD ABSORB AND MANIPULATE ELECTRICITY, VOLT VIPER WAS A TOUGH ENEMY

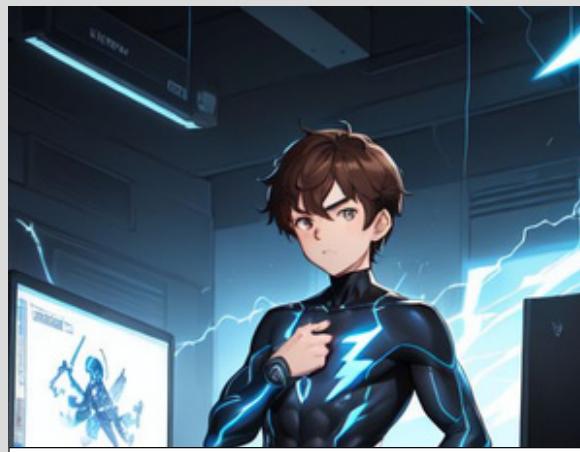

....THUNDERBOLT KNEW HE COULDN'T DEFEAT VOLT VIPER ALONE

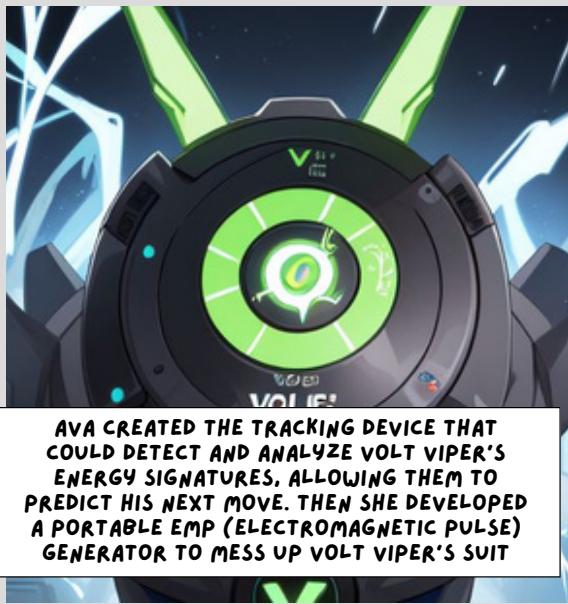

HIS BEST FRIEND, AVA, WHO WAS A BRILLIANT INVENTOR. AVA WAS VERY SKILLED CREATING ORIGINAL GADGETS.

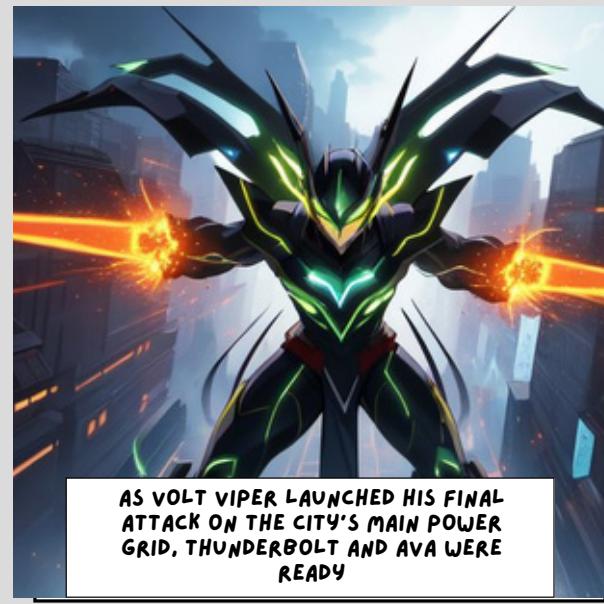

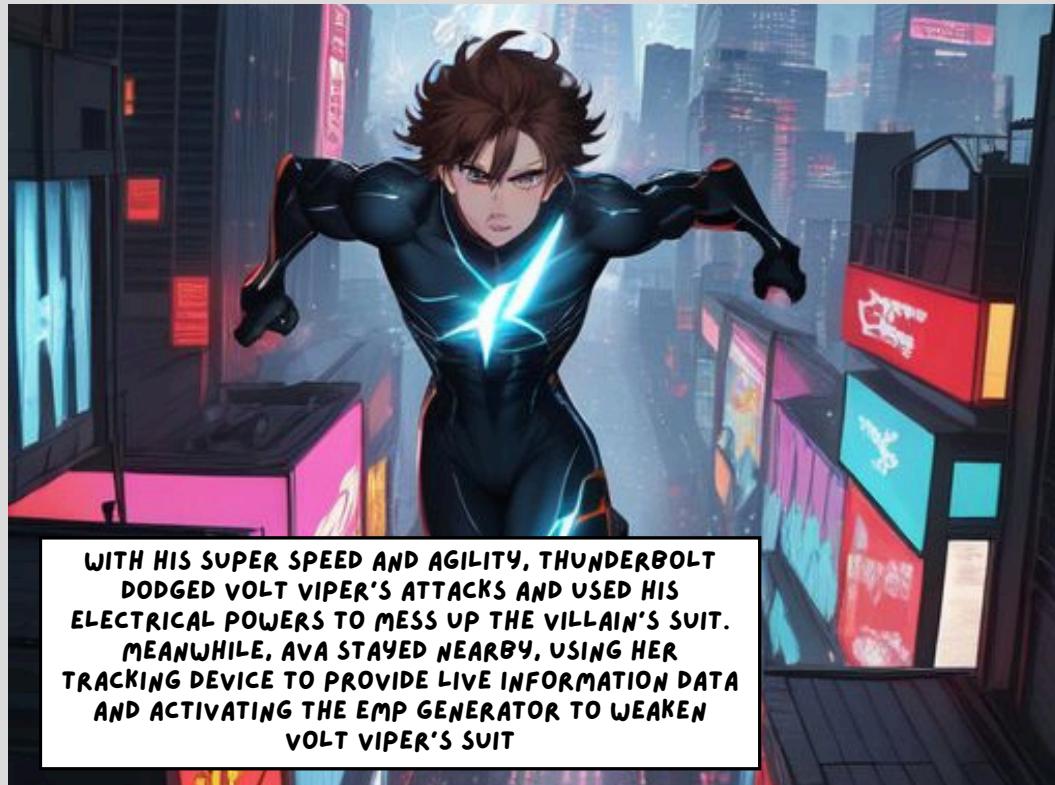

WHEN LEO TOLD AVA ABOUT HIS POWERS AND THE THREAT POSED BY VOLT VIPER, SHE IMMEDIATELY JUMPED INTO ACTION. AVA CREATED A HIGH TECH TRACKING DEVICE THAT COULD DETECT AND ANALYZE VOLT VIPER'S ENERGY SIGNATURES, ALLOWING THEM TO PREDICT HIS NEXT MOVE

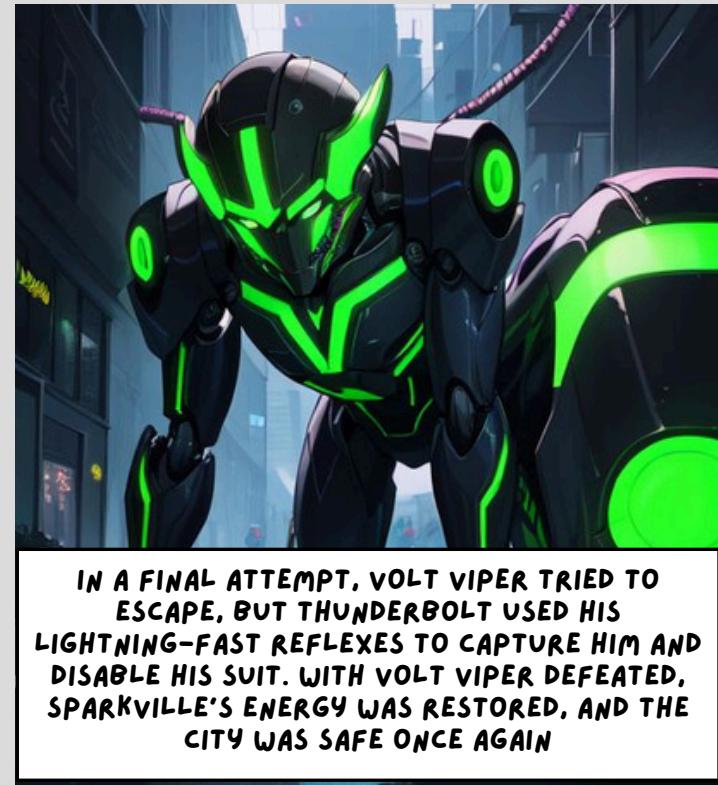

AVA CREATED THE TRACKING DEVICE THAT COULD DETECT AND ANALYZE VOLT VIPER'S ENERGY SIGNATURES, ALLOWING THEM TO PREDICT HIS NEXT MOVE. THEN SHE DEVELOPED A PORTABLE EMP (ELECTROMAGNETIC PULSE) GENERATOR TO MESS UP VOLT VIPER'S SUIT

AS VOLT VIPER LAUNCHED HIS FINAL ATTACK ON THE CITY'S MAIN POWER GRID, THUNDERBOLT AND AVA WERE READY

WITH HIS SUPER SPEED AND AGILITY, THUNDERBOLT DODGED VOLT VIPER'S ATTACKS AND USED HIS ELECTRICAL POWERS TO MESS UP THE VILLAIN'S SUIT. MEANWHILE, AVA STAYED NEARBY, USING HER TRACKING DEVICE TO PROVIDE LIVE INFORMATION DATA AND ACTIVATING THE EMP GENERATOR TO WEAKEN VOLT VIPER'S SUIT

IN A FINAL ATTEMPT, VOLT VIPER TRIED TO ESCAPE, BUT THUNDERBOLT USED HIS LIGHTNING-FAST REFLEXES TO CAPTURE HIM AND DISABLE HIS SUIT. WITH VOLT VIPER DEFEATED, SPARKVILLE'S ENERGY WAS RESTORED, AND THE CITY WAS SAFE ONCE AGAIN

WITH HIS SUIT DISABLE AND VOLT VIPER DEFEATED, SPARKVILLE'S ENERGY WAS RESTORED, AND THE CITY WAS SAFE ONCE AGAIN

THUNDERBOLT AND AVA WERE HAILED AS HEROES. LEO REALIZED THAT HIS POWERS CAME WITH A RESPONSIBILITY TO PROTECT AND SERVE HIS COMMUNITY

Moral of the story:
True heroism involves using your talents to help others and working together to overcome challenges.
